

## Cleanse & Detoxify

Strengthen your body`s own natural healing system with a complete cleanse and detoxification !!

Tai ji Acupuncture and Herbal clinic provides a complete yet simple cleanse that, in conjunction with traditional natural medicine and nutritional tips, will put you back on the path to complete wellness.

Over millions of years, our immune systems have evolved not only to fight diseases but also to heal themselves. Unfortunately, lifestyle and environmental causes including unhealthy diet, pollution, pesticides and chemical medications, have left our bodies polluted with toxins and thus less capable of coping with stress and illness.

At Taiji Clinic, we specialize in removing said toxins and “resetting” the immune system safely and naturally.

1. Acupuncture treatment – twice a week for 5-10 sessions.  
Soothes your Liver and activates kidneys as well as balances your auto nervous system  
\$120 for First visit (including consultation and one session of acupuncture treatment) after that, \$70 per acupuncture session (one session one hour)
2. SUCTION CUPPING
